

Amanda, how long will the label stock last?

Half an hour.

IT SPEAKS FOR ITSELF. AND WITH YOU!

Would you like to start the

troubleshooting assistant?

Yes please!

Attention! Increased rejection rate due to misaligned labels.

))

Amanda, change the brand!

lla

Yes, of course ...

SIMPLY SPEAK TO HER!

Do you have any questions? Amanda has the answers. Do you have any wishes? Amanda can fulfil most of them. You've missed something? Amanda will remind you in time – simply speak to her!

- She'll tell you what's going on along your line. She can say you exactly what's happening at the labeller even if you're standing at the inspector.
- She will log you into the nearest HEUFT system. And will do what you tell her to e.g. read out counter readings, start test bottle programs or carry out brand changes.
- She will set up a voice connection to your colleague who is logged into the respective device.
- She also has a word of encouragement for you, clears the right app from HEUFT.

the mind, keeps hands free and protects against malfunctions and standstills with advice and assistance.

In this way Amanda simply achieves pleasing values regarding efficiency and productivity. All you need is a mobile phone in your trouser pocket and a Bluetooth headset in your ear to get into conversation with her soon. And of course highly secure, independent network and server solutions, the latest devices as well as the right app from HEUFT.

SHOWROOM

Experience the complete range of HEUFT solutions in action: our arena with almost 1,000 square metres of exhibition space provides you with the perfect conditions to convince yourself of the superior performance of our inspection and quality assurance systems – even with live tests using products from your own portfolio upon request.

TRAINING

The right know-how for reliable operation: experienced experts will provide you with all the knowledge you need in order to safeguard the functionality and availability of your HEUFT system sustainably in the HEUFT Training Center – not only theoretically but also directly at the device!

SERVICE

The nerve centre for a proactive customer service: our service control centre coordinates all the services on your premises from online remote maintenance with the HEUFT *TeleService*, the HEUFT *PhoneService* up to HEUFT *DirectService* visits – for a worldwide 24/7 support.

CONFERENCES

From seminar room to auditorium for 199 guests: we are pleased to make our premises containing state-of-theart multimedia equipment available to customers and partners for meetings and events — including a tour of the premises, specialist lectures and practical presentations!
